## PENINSULA WELL-PREPARED WITH DISASTER SUPPLIES

The Belvedere Community Foundation was pleased to help fund the purchase of \$6,500 in medical and first aid supplies for the Peninsula's First Aid Station. Other contributions for the \$25,000 supply purchase came from the Town of Tiburon, City of Belvedere and the late County Supervisor, Charles McGlashan. Located at Del Mar School, this facility is the only Red Cross designated First Aid station in Marin County. Nearly one hundred local residents with expertise in various medical and emergency support fields have volunteered to staff the First Aid station and administer emergency medical triage in the event of disaster. *For more information contact Laurie K. Gordon, Emergency Services Coordinator at 415-435-7386 or lgordon@ci.tiburon.ca.us.*

## TEN TIPS ON HOW TO GET READY AND STAY READY 94920

1. Go to [www.GetReady94920.com](http://www.GetReady94920.com) and refresh your memory on a wide range of emergency procedures.
2. Call Emergency Services Coordinator, Laurie Gordon at 415-435-7386 and sign up for MEANS. Register all of your phone numbers. You will receive information automatically in the event of an emergency.
3. If you hear sirens go off, tune your radio dial to 840 AM for information and instructions.
4. Be prepared to "Shelter in Place" for a minimum of five to seven days.
5. Be sure that your water, batteries and emergency food supplies are up to date.
6. By your bedside, keep a flashlight, hard-soled shoes/slippers and an emergency radio operated by batteries or a hand crank.
7. Make sure your vehicles are equipped with short-term emergency needs, easily transportable in a backpack plus water or a filter. Keep your gas tank at least one-quarter full, more if practical.
8. Have a family communications and meeting plan in place including a contact outside the region.
9. Keep enough cash (home and cars) to allow you to survive without a bank, ATM or credit card. Small denominations recommended.
10. An emergency first aid station will be located in the Del Mar School.

## BELVEDERE RESIDENTS TEAM UP FOR ANNUAL GOLF TOURNAMENT

Belvedere residents **Dr. Bruce Sams**, **Janice Still** and **Al Cooper** teamed up for the 14th Annual Belvedere-Tiburon Open Golf Tournament at Stone Tree Golf Club in Novato. The Belvedere Community Foundation was one of the organizations that sponsored the tournament on September 14, 2010 with a \$750 donation. The proceeds this year benefited the Belvedere-Tiburon Joint Recreation.

## SECOND WALK YOUR HISTORY DAY IS A SUCCESS

The Belvedere-Tiburon Joint Recreation and the Belvedere-Tiburon Landmarks Society again joined forces to present the very popular Walk Your History event on Saturday, May 7. The Belvedere Community Foundation provided \$2,500 towards the event, which was also sponsored by other local community organizations. *Walk Your History* is a free community event designed to get our residents outdoors to learn about the interesting history of Belvedere and Tiburon. Two walking loops on the Peninsula were dotted with volunteer docents in period attire at historic sites. This year the walks focused on the history of boating and golfing on the Peninsula in addition to many other hotspots. Then & Now signs in Belvedere and Tiburon were highlighted, as well as historical homes, China Cabin, Old St. Hilary's and Jack London's Fish Patrol. The loops began and ended in Belvedere Park with the *Walk Your History* BBQ Lunch cooked by volunteer firefighters.

## FARLEY PLACE PROVIDES AFFORDABLE SENIOR LIVING

Photo by Jill Einstein, MD

Each day many of you drive past an 11-unit apartment building at 515 San Rafael Avenue near City Hall. You may not know that it is Farley Place, affordable housing for the elderly and handicapped. Residents are people of limited income, at least 62 years of age, and able to live independently.

Farley place is owned by the Belvedere-Tiburon Housing Association (BTHA) and managed by the Ecumenical Association for Housing (EAH). Farley Place is over 21-years old and has been facing the expense of capital improvements and repairs. The Belvedere Community Foundation was pleased to provide a \$10,000 matching grant for their endeavors. The Rotary Club of Tiburon-Belvedere, who has members that sit on the board of the BTHA, was instrumental in helping to raise funds to meet the matching grant.

## BLACKIE'S GARDEN CELEBRATES 15 FLORIFEROUS YEARS

Photo by Claire McAuliffe Photo caption: Walkers and cyclists get to enjoy the sight of Blackie's Garden as they begin their walk along the bike path.

The Belvedere Community Foundation was pleased to offer its continued support of the Peninsula's largest and most prolific public garden – "Blackie's Garden." The 8,000 square foot raised bed, located near the parking lot at Blackie's Pasture, is the result of **Harvey Rogers'** dedication and endless energy. As a Belvedere Master Gardener, Harvey has coordinated volunteers for the past 15 years in planting and maintaining the garden's 2500 plants. In addition to being a magnificent color spot, the plant labels and educational materials kept on site offer a superb educational opportunity for students, gardeners, homeowners and flower lovers. *For more information, contact Harvey Rogers at (415) 435-4498 or [harvnan2@sprynet.com](mailto:harvnan2@sprynet.com) or [tiburonpeninsulafoundation.org/blackies-garden.php](http://tiburonpeninsulafoundation.org/blackies-garden.php).*

## KASHANI HOLIDAY LIGHTS REPLACED

Photo by Jocelyn Knight

The **Kashani family** of Tiburon has brightened the holiday spirits of Tiburon Peninsula residents for many years with their creative light displays from their home overlooking Blackie's Pasture. Unfortunately, this past December, the holiday lights were stolen from the Kashani's car.

In a joint endeavor, the Belvedere Community Foundation and the Tiburon Peninsula Foundation replaced the lights as a gesture of support and gratitude. *The Kashani's holiday lights celebrated the San Francisco Giants World Series win and were designed by **Julien Valverde-Twiggs**, a seventh grader at Del Mar Middle School.*

## FUN FAIR RAISES FUNDS FOR YOUTH LIBRARY PROGRAMS

Blackie's Hay Day brought over 1600 visitors to Blackie's Pasture for this year's fun-filled annual country fair fundraiser. The Belvedere Community Foundation donated \$2,500 towards the event. The petting zoo, pony rides, rock climbing wall, and tot hay ride were especially popular, and volunteers helped create 24 activities for all to enjoy.

Blackie's Hay Day is organized by Bookmarks, a volunteer organization that helps fund the children and teen programs of the Belvedere-Tiburon Library. This year's Blackie's Hay Day raised \$20,000. Among the many programs these funds support are movie nights, tot story times, and extended hours during finals weeks. *For more information, contact Andra Martens Nirenberski at 415-328-8008 or [andra.martens@comcast.net](mailto:andra.martens@comcast.net).*

## BCF SUPPORTS CORNER BOOKS

Corner Books, a new fundraising venture for the Belvedere-Tiburon Library, opened its doors on the Boardwalk on May 22, 2010. An early grant of \$600 from the Belvedere Community Foundation was an important contributing factor in its success. All proceeds from the sale of books donated by community members directly benefit the Belvedere-Tiburon Library. Corner Books provides the community with a responsible way to recycle books, a convenient place to buy great books at low prices and a welcoming space to meet and talk. The shop, entirely managed and staffed by over 60 volunteers, is generating significant revenues for the library. *For more information, contact Kay Smith at 415-789-5000 or [cornerbooks@bel-tib-lib.org](mailto:cornerbooks@bel-tib-lib.org) or [www.bel-tib-lib.org](http://www.bel-tib-lib.org).*

# BCF CELEBRATES ITS 20<sup>TH</sup> YEAR WITH

Imagine what it would be like if you gathered with your friends and neighbors one morning to share and show your love for Belvedere. On the first annual **Clean and Green Day**, more than 150 children and adults did just that; sweeping, weeding, pruning, planting, scrubbing, spreading the word, and serving the delicious lunch hosted by the Belvedere Community Foundation on it's 20th anniversary.

Clean and Green Day was a community effort and we want to thank everyone who helped make Belvedere even more beautiful: Our co-chairs, **James Campbell**, **Anne Feinberg** and **Annette Ryan**, our wonderful hard working volunteers, Public Works Manager **Scott Derdenger** and the **Public Works Crew**, City Manager **George Rodericks**, **Waypoint Pizza**, and the **Caprice Restaurant**. Thank you all and we look forward to seeing even more neighbors next year.

## AUDUBON LAUNCHES JUNIOR NATURALIST TRAINING PROGRAM

With a \$5,000 grant from the Belvedere Community Foundation, the Richardson Bay Audubon Center and Sanctuary proudly launched its new Junior Naturalist Training Program. This unique program is dedicated to equipping students, ages 12 to 18, with the knowledge and leadership skills necessary to become environmental educators. The week-long training program is filled with team building experiences, hikes and science. Trainees volunteer at the Audubon Center for a minimum of two weeks during summer camp and four weekends during the school year. The BCF grant paid for supplies and for the teacher naturalist's time. *For more information contact Brooke Langston, Center Director, at 415-320-4794 or [BLangston@audubon.org](mailto:BLangston@audubon.org), or [www.tiburonaudubon.org](http://www.tiburonaudubon.org).*

## AUDUBON CAMPERS RECEIVE SCHOLARSHIPS

Each summer the Richardson Bay Audubon Center offers Audubon Summer Adventures, a wonderful nature camp for children ages 4 to 9 years old. The cost for a full week of camp from 9 a.m. to 5 p.m. is \$385. This extended schedule permits working families to send their children to the Center for a fun, enriching outdoor experience in a nurturing and safe environment.

Last year the Center received an unprecedented number of requests for scholarships to camp. With a gift of \$1,050 the Belvedere Community Foundation was able to support six camp scholarships to students from Tiburon and Belvedere. *For more information, contact Brooke Langston, Center Director, at 415-320-4794 or [BLangston@audubon.org](mailto:BLangston@audubon.org), or [www.tiburonaudubon.org](http://www.tiburonaudubon.org).*

## AUDUBON AMERICORPS INTERNS RESTORING PENINSULA HABITAT

In February of 2011 the Richardson Bay Audubon Center and Sanctuary was awarded a grant in the amount of \$5,000. This gift is helping to make possible valuable and much needed restoration and educational activities of AmeriCorps interns Andrew Frostholt and Reuben Brandt. Andrew and Reuben are working with

[Cont.](#)

youth and families to propagate native plants. These plants, grown from seeds and cuttings gathered locally to maintain genetic integrity, will be used in the Center's restoration project on Aramburu Island as well as the restoration work at the Sanctuary.

As part of the "Audubon at Home" programs the interns are educating local families about native and non-native plants and encouraging the growth of native species. Through education and restoration Andrew and Reuben are not only helping families improve wildlife habitats in their own back yards, but in all of Belvedere and Tiburon. *For more information, contact Brooke Langston, Center Director, at 415-320-4794 or [BLangston@audubon.org](mailto:BLangston@audubon.org), or [www.tiburonaudubon.org](http://www.tiburonaudubon.org).*
